Re: Request for Increase Under ARTICLE I(a)&(b) of  
Contract #84\*B905300\*000 (through Amendment #4)

In consonance with telephone discussion of April 19, 1985, I am furnishing some specifics concerning billings under ARTICLE I(a)&(b) of Contract #84\*B905300\*000, and requesting an increase of \$546.13 to cover the balance of our March 1985 effort in this area.

As you know, this portion of the contract (set forth as ARTICLE I(a)&(b) therein) provides for funds of \$87,840.00, with a maximum of \$5,214.00 for Other Direct Costs (ODC). To date, we have billed for \$87,839.50 (including ODC of only \$1,315.83) and have unbilled March 1985 labor charges of \$546.13. Hence, in anticipation of subsequent tasks planned for initiation after April 4, 1985, we have effected a clean cutoff of this effort.

Additional information on this matter is contained in our letters of March 26th and April 3rd. If you have any questions, feel free to call me at the above number.

Sincerely,

Ruth M. Davis  
President
